RELEASE: Minnesota's police association endorses Cicely Davis, challenger to Congresswoman Ilhan Omar

MPPOA makes first endorsement in 2022 election cycle

(St. Paul, Minn.) – Today the Minnesota Police and Peace Officers Association (MPPOA), the largest association representing public safety professionals in the state, announces its endorsement of Cicely Davis for Congress in Minnesota's 5th Congressional District. She is challenging incumbent Congresswoman Ilhan Omar. This is the first endorsement the MPPOA Board of Directors has made for the 2022 election cycle.

MPPOA Executive Director Brian Peters said, "**Cicely Davis understands and prioritizes public safety to keep those in Hennepin County safe, unlike Omar who prioritizes defunding and demonizing law enforcement. Davis stands against all attempts to defund and dismantle police and will promote smart public safety proposals.**"

5th Congressional District Candidate Cicely Davis said, "**I won't stand by and watch this community be destroyed by poverty and crime. I stand with public safety officials that work to keep our communities safe against those who seek mayhem. I stand with victims of crime who deserve justice. And I stand with those who seek a safer Hennepin County in every community.**"
