U of M student posts false account of police encounter on social media - then campaigns for "accountability"

(St. Paul, Minn.) — In the early morning of February 1, 2021, the University of Minnesota's Department of Public Safety (UMPD) received a call regarding a robbery. Officers received information about an armed suspect and stopped to speak with a student a block from the event that matched the description. Officers quickly realized this person wasn't their suspect, and continued searching.

After the encounter, student Nikil Badey posted a factually inaccurate account of the interaction on his Instagram account, and urged others to contact University Board of Regents leaders on "racial profiling and harassing" and said he was "immediately criminalized" through this pre-written email campaign against UMPD: Z.umn.edu/umpdblast

Minnesota Police and Peace Officers Association Executive Director Brian Peters said, "The truth is clear from the officer's dash camera video: Mr. Badey's encounter was extremely courteous and respectful. We're frustrated that an elected student leader would purposefully choose to stir further division against police on social media using false statements and fabrications. This is irresponsible and further divides the campus culture on safety and community."

Law Enforcement Labor Services Executive Director Jim Mortenson said, "Everyone deserves to be safe, and false accusations against law enforcement only incites unnecessary fear and minimizes the positive ways law enforcement helps our communities. Thank you to the UMPD for their wonderful work searching for the armed burglar on campus."

The Minnesota Police and Peace Officers Association and Law Enforcement Labor Services have asked Mr. Badey to:

- 1. Publicly apologize to the UMPD officers for his dishonest statements
- 2. End his email campaign to the Board of Regents against the UMPD due to false allegations
- 3. Read the <u>University of Minnesota's Student Conduct Code</u>, particularly Section IV, Subsections. 3 (Falsification), Subsection 5 (Attempt to Injure or Defraud), and Subsection 9 (Disorderly Conduct).
- 4. Consider meeting with UMPD in further dialogue on ways the community can work together for a safer campus for all.

After these allegations the UMPD released the officer's squad care video of the interaction which shows a short polite conversation dramatically different than described by Mr. Badey, including his request to officers for a ride home. The UMPD video can be seen here: https://youtu.be/q7YzseziArl.
